If a large number of bills which have to be pre-audited and paid before the close of the official year 1950-51 are sent to the Audit Office during the last few days of March 1951, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. This step will also ensure that a number of these bills are not carried over un-audited to the next official year.

The audit of bills for contingencies and supplies and services received in this office after the 25th of March 1951 cannot ordinarily be expected to be completed by the 31st March 1951.
